IBAO & The 5-Week Mentorship Program

IBAO is a Trade Association that organizes all things related to insurance brokers in Ontario. We work with government to bring awareness on the broker value and consumer-focused initiatives. We assist with obtaining a license, ongoing broker education and host events that connect with brokers.

As part of a new initiative that brings awareness in what it is like to have a career in the Broker channel, we are launching a **5-Week Mentorship Program**.

The 5-Week Mentorship Program, is tailored for **veterans** and **students from the University of Waterloo**, providing them with the opportunity to connect with experienced brokers who offer guidance and insights into the insurance brokerage industry.
